Overview

Smart Horizons Career Online Education (SHCOE) is the world's first accredited private online school district. Founded in 2009, SHCOE develops career-based online high school diploma programs designed to prepare students for entrance into the workforce or post-secondary education. SHCOE's purpose is to re-engage older youths and adults back into the educational system.

Accreditation

SHCOE is fully accredited as a private online school district by Cognia (formerly AdvancED), the national commission that confers the Southern Association of Colleges and Schools Council on Accreditation and School Improvement (SACS CASI), North Central Association Commission on Accreditation and School Improvement (NCA CASI), and the Northwest Accreditation Commission (NWAC) accreditation seals.

Career Certificates

In addition to earning an accredited high school diploma, students also earn an accredited workforce certificate in one of the following areas: Child Care and Education (CDA), Commercial Driving, Food and Hospitality, General Career Preparation, Home Care Professional, Hospitality and Leisure, Office Management, Retail Customer Service, or Security Professional.
